We would like to extent special thanks to:
Ken Adkins of Castle Comics in Hinesville, GA.
Mark Cappucci, a collector from Westford, MA.
Richard Gaffin a dealer in Blackwood, NJ
Tony Shenton of Forbidden Planet, NY.

for their advice, input, and contributions to this issue.

This publication is designed to guide comics collectors in the most current comics values. It is a tool along with other fine publications to assist collectors to enjoy the hobby. Also useful are *The Comic Book Price Guide* by Robert Overstreet and *The Comics Buyer's Guide* by Krause Publications.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50 percent of these values for major and hot titles, and 30 percent or less for minor comics. These guidelines will vary from dealer to dealer and as to location.

Condition of Comics

MINT- A perfect comic in every way.

NEAR MINT- A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.

VERY FINE- Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.

FINE- A worn cover but clean. Stress lines around staples and more rounded corners.

VERY GOOD- A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.

GOOD- A very worn comic with creases, minor tears, cover flaking apparent. No tape.

FAIR- Slightly damaged cover, badly rolled spine, cover flaking and possibly corners gone. Tears and tape are possible.

all comics listed in this guide are in near mint condition

Characters represented in this issue are copyright respectively by D.C Comics, Marvel Comics Group, First Comics, Eclipse Comics, Comico, Aardvark Vanaheim, WaRP Graphics, Eternity, Harrier, Slave Labor Graphics, Kitchen Sink Comix, Tru Studios. Top 100 List copyright Capital City Distribution.

FUTURE PICKS

•Albedo back issues are reported selling at very high levels. The O & I variations are commanding big dollars if you can find them. Collectors now are turned on to these really rare issues.

•Well, Howard the Duck comic sales are now very quiet. Why? Did you see the movie? It did not translate from paper to celluloid. Dealers said sales stopped the minute the movie appeared.

•Nam is selling very well across the country. Good feed back is also reported.

•Most underrated comic of 1986 by many is Howard Chaykin's Shadow. Sales are strong and collectors thank dealers for suggesting that they read the four part mini series.

•G.I. Joes continue to sell at a fantastic pace. Any non-reprinted numbers are rising in value. Snake eye issues are hot with the original issues #26 and #27 leading the way.

•Boris the Bear is being sold now for $5.00 to $15.00 in different parts of the country. Collector demand is high but complaints are they cannot always be found.

•Marvel's Mutant Massacre issues are doing quite well. As usual, Marvel has drawn attention to this as well as each issue in which the Massacre Saga occurs. Sales are brisk.

COMICS VALUES MONTHLY

Attic Books, Ltd. P.O. Box 38 South Salem, New York 10590

Dear Comics Values Monthly Reader,

Marvels special experiment, The New Universe, is now underway full steam. Star Brand was the first shipped and reportedly Marvel's hopeful for best seller. Different stores reported Star Brand a sell out, others report the price up to $1.00 to $1.50 In various sections of the country Merc was hot, while DP7 and PSI Force were good. Most areas reported Kickers, Inc. not doing well.

Collectors and dealers alike are jumping on the rare varient band wagon. How TO Draw Teenage Mutant Ninja Turtles has two cover varieties: a light cover at $9 and a dark cover at $2, also Turtles #3 has two printing variations. The standard first printing has a white "Laird" on the cover. The variant available at a convention Laird and Eastman attended has a blue "Laird". Dealers are asking $20 for the variant. Aftermath, just recently published has a variant to #1 within the body of the book. The regular #1, now at $2, has a full map, the variant has only a partial map and some text below. Aircel's The Adventurers published two covers. The variant or first cover has a skeleton fighting a maiden among the adventurers. This issue is selling for $15 to $30. The standard cover has the skeleton scene removed and sells for $3 to $5. Thundermace by R.A.K. Graphics, a black and white fantasy adventure story, has two covers. The first cover, described as a prototype, was printed in two colors, red and blue (1,000 issued). It is selling for $35.00 now, while the regularfour color cover issue is selling for $1.50.

Comics Values Monthly has expanded to add four new pages of independant comic values. The black and white issues are so hot in the current market it was felt that CVM should give them their own section. We have added various older significant titles to this listing along with the volatile new issues.

Both collectors and dealers are invited to call me when you discover any new or old black and white titles that should merit listing in the CVM.

Yours truly,

Alex G. Malloy
Editor.

The collecting of original comic art is an ever increasing adjunct to the comic industry. Here CVM presents part two of the industry's first listing of original comic art values. Original art is defined here as a full page used in the publication of a comic. In collecting comic art a collector must judge each page by its individual artistic merit. Often the artists will set initial prices on their own work. To aid the collector and dealer, the pages have been divided into classes A to F, by which prices may be adjusted from the average retail values listed.

A..Main character,action,innovative + 20%
B.....Main character, general viewsaverage
C.....Main character, main foe average
D....Supporting characters,main foe-20%
E.....None of the above -30%
F.....Special importance but as E -20%
Cover Art..... + 50 to 100%
Splash Pages..... + 20%
Signed Pages..... + 10%
Convention Sketches.....-50%

•Comic Painting values will be determined by artistic merit & do not fall in this listing.
•The criterion for this listing is a five or more issue run. Unlisted titles by the same artist will reflect similar values.
•The artist listing is a general guide, when an artist is teamed up with another listed below the values will usually increase accordingly.
•(NOM) means none of this title on the market.

We would like to extend special thanks to Al Czarnecki of AOK Enterprizes and J. Ivey of the Cartoon Museum, for their assistance in preparing this feature.

COMIC ORIGINAL ART
